- 12:30 - 13:00 | Registration and Networking
- 13:00 - 13:15 | Opening Ceremony
Prof. Dieter Broering
- 13:15 - 13:40 | Transplant ID as a Metric for Excellence in your Center
Dr. Reem Almaghrabi
- 13:40 - 14:10 | **Keynote Lecture:** Tackling Respiratory Viruses in the Immunocompromised
Moderator: **Dr. Faryal Khamis**
Speaker: **Prof. Michael Ison**
- 14:10 - 14:30 | *Scientific Symposium*
- 14:30 - 14:45 | **Networking Coffee Break**

SESSION I: JOINING TRANSPLANT ID CONSULTATION ROUNDS

Chairperson: **Dr. Hanan Turkustani**

- 14:45 - 15:05 | Dermatology manifestation of infections in IC
Dr. Yousef Aloyoni
- 15:05 - 15:35 | Immune Dysfunction in Liver Cirrhosis
Dr. Salvatore Piano (virtual)
- 15:35 - 15:55 | Navigating the Infectious Disease Landscape in Biologic-Treated Recipients
Dr. Muna Al Maslamani
- 15:55 - 16:15 | Balancing the Scale: Managing Drug Interactions in IC patients
Dr. Gadeer Mousa
- 16:15 - 16:30 | **Q&A Panel Discussion**
- 16:30 - 16:45 | **Networking Coffee Break**
- 16:45 - 17:05 | *Scientific Symposium*
- 17:05 - 18:00 | Challenging Cases from Hematology Floors
Dr. Maha Alamri
- 18:00 | **End of Symposium Day One - Closing Remarks**

Symposium Day Two - Sunday | 07 December 2025

SYMPOSIUM

08:30 - 09:00	Registration and Networking
09:00 - 09:05	Opening Remarks Dr. Reem Almaghrabi
09:05 - 09:35	Keynote Lecture: cfDNA Applications in Infectious diseases Moderator: Dr. Rayid Abdulqawi Speaker: Dr. Sean Agbor-Enoh

SESSION II: PERSONALIZED PATIENT CARE

Chairperson: **Dr. Hadeel Samarkandi, Dr. Ahmed Alhammadi**

09:35 - 09:55	Microbiome to Predict Risk of Infections in Transplant Patients Dr. Reem Almaghrabi
09:55 - 10:15	Pharmacogenomics in Transplant Infectious Disease Dr. Hana Al Alshaykh
10:15 - 10:35	Personalized TB Prediction in Transplantation Dr. Abdulrahman Alrajhi
10:35 - 10:45	Q&A Panel Discussion
10:45 - 11:00	Networking Coffee Break

SESSION III: MICROBIAL DIAGNOSTIC IN IC HOSTS

Chairperson: **Prof Jackie Ying, Dr. Yamama Aljishi**

11:00 - 11:20	Role of Molecular Diagnostics in AMR-focus on High Risk Setting Dr. Jameela Alsalman
11:20 - 11:40	Role of Infectious Diseases R&D in Transplant Safety Dr. Fatimah Alhamlan
11:40 - 11:50	Q&A Panel Discussion
11:50 - 12:10	<i>Scientific Symposium</i>
12:10 - 13:30	Lunch and prayer break

SESSION IV: COMBATING FUNGAL INFECTIONS: A UNITED FRONT

Chairperson: **TBC**

13:30 - 14:00	MDT approach for the management of fungal infection in ICU-setting Dr. Ali Omrani Dr. Tariq Almusawi
14:00 - 14:30	MDT approach for the management of fungal infection in hematology-setting Dr. Neil Stone Dr. Riad El Fakih
14:30 - 14:50	Optimizing Antifungal Strategies for Complex Cases: Combination and/or adjuvant therapy Dr. Neil Stone
14:50 - 15:00	Q&A Panel Discussion
15:00 - 15:20	Networking Coffee Break
15:20-16:15	Multidisciplinary approach to donor selection Moderator: TBC Speaker: Dr. Amani Yamani
16:15	End of Symposium - Closing Remarks
